Students will have their operation center located in the Business Consulting Center in Zona Franca Santander with flexible hours, between 6 and 8 hours a day. The BCC will place students in companies in the region to develop the practice process. Working groups of maximum four foreign students and two local bilingual students, accompanied by a tutor teacher and a tutor in the company. A minimum meeting per week is held with the tutors to establish progress, face-to-face or remote depending on the case. And at least two monthly face-to-face visits to the assigned company.
